Work from Home

Pay Per Click

This is an amazing opportunity for those who want to work from home and get income for each unique click they made. To get this income, you just need to become an affiliate through "social media sign up" and need to promote the banners which appears in "Promotions" Banners & Links" area in Affiliate's dash board. Click on each banner, and your account will be updated with USD 0.05 (AED 0.18 Approx.) for each unique click. That means, one clicks per day per banner will be approved. But to get more and more income, just share each banner in social media repeatedly by clicking Social media buttons under each banner. After sharing the banner, your friends / followers click on your shared banner, will be considered unique click, and you will get paid! For example, if you share a banner in social media, 100 of your friends click on the banner then you will get USD 5 (AED 180 Approx.) the first USD 140 of your earned income will be used for online software setup cost automatically by the system. The the rest of all Pay Per Click income that you earned by sitting in home will be transferred to account whenever you want.

You can transfer minimum USD 50 to your account, bank transfer charges will be applicable...if it is Amazing!

Social Media Bonus

One who develop their face book friends address as to the maximum (5000 friends) will get a yearly (January - December) bonus @ 5% of the total existing turnover of the company divided to all achievers equally.

Yearly Bonus

If Any of the Amjobz Affiliates get 2500 unique click (1 Unit), on promotional pages of Amjobzglobal Directory enlisted companies through social media sharing, those affiliates are eligible for yearly bonus @ 5% of the total yearly turnover of companies promotional income accumulated on a post will be equally divided and distributed to them.
